Valid Date: 17-Jan-24

Registered Date: 25-Mar-24

Application No.: P2024/0150/LBC

Consultation Expiry date: 8-Apr-24

Proposal: This is a proposal to alter a flat within the listed building New River Head, which come 30 years ago was converted into private residential flats. 79 New River Head is a three bedroom flat, spread over two floors, on ground and lower floor. The ground floor consists of a small kitchen, the living/dining area and entrance hallway. The lower ground floor consists of three bedrooms and two bathrooms. The proposed work comprises of the partial knock through of an internal wall on the ground floor, which separates the kitchen from the living room, to achieve a new opening between the two rooms. New fire rated glass doors will be added so that the kitchen can be closed when needed, but the opening will achieve a larger space for kitchen storage and units, and will increase ventilation and light into the area also. The wall proposed to be knocked through is a load bearing structure wall, part of the original building. As such, some internal structural work is required for this, which is explained on the structural engineering drawings and on the structural method statement attached to the application. This application seeks to set out that while the flat is located
